

6.12.11 ClearView Challenge:

- Develop a clear list of behavioral expectations (and matching Scriptures to show your child *why* you expect this) for your home. For example: how are people to be treated? What words/tone/volume are acceptable?
- Have a family meeting and share family rules with your kid(s).
- Think about what forms of discipline are most effective when/if these guidelines are not followed.

Share your experiences with a friend.
